

"Our Partners are so crucial to what we do, they are our Family. Dance is a collaboration which involves a lot of trust, empathy and generosity. When trust and support are nurtured, creativity can begin."

SYDANCEY COMPANY

Rafael Bonachela
Artistic Director

Sydney Dance Company creates work of artistic excellence and inspires people around Australia and internationally through the artistic direction of Rafael Bonachela.

Our vision is to commission new work from talented choreographers, designers and musicians that will move our audiences and extend our dancers.

We want to share our creations and success as widely as possible. We do this by touring to regional areas, capital cities and major festivals both at home and overseas, collaborating with education providers and doing our best to keep ticket prices down.
